## YARI MODULAR LED PENDANT

Designed in Japan, this minimalist family of LED pendants is configurable in sixteen different combinations. High output LEDs create a high lumen downward light.

Available in four soft matt finishes (black, white, silver and gold), each suspension has a ceiling cup, one metre of flex and a detachable frosted lens which casts a welcoming light below.

The suspensions can be used on their own or combined with one of four accessories which screw in effortlessly to create a unique contemporary light. Choose from two spun metal shades and two acrylic lenses to create your own bespoke fitting.

## 1. SELECT YOUR COLOUR:

**YAR012** **WH**

**YAR0132** **SV**

**YAR0135** **GD**

**YAR0122** **BK**

## 2. ADD YOUR OPTIONAL ACCESSORY:

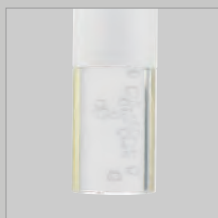

### **YARI9**

#### **Yari**

H5.5 x Ø5.5cm

acrylic mountain lens

### **YARI91**

#### **Yari**

H10 x Ø5.5cm

### **YARI922**

#### **Yari**

H2 x Ø38cm

black metal spinning

**Yari Pendant** | H min25 - max120 x Ø5.5cm | 1 x 11w LED inc / 987 lumens / 3000k |    **LED**

### Heavy Gauge Adjustable Cable

Cable with heavy gauge  $2 \times 0.75\text{mm}^2$  conductors allows each unit to carry an accessory of up to 2.25kg. The cable can be shortened on installation.

### High Density Aluminium Heatsink

Efficiently conducting heat away from the LED allows us to deliver a high lumen output whilst maintaining a longer product lifespan. This specially designed heatsink will become warm as it draws heat away from the lamp.

### High Performance COB LED chip

By using only high performance LED chips we can achieve high lumen output and long life. Using a 'Chip On Board' LED allows for a higher light intensity in a smaller space than more traditional SMD LEDs.

### Optional Accessories

A standard 40mm thread allows existing easy fit shades to be easily attached (glass shades up to 5mm thick). Our Keila accessories have super clear plastic and etched geometric patterns which glow when the lamp is on for a super sleek statement.

### Integrated Shade Ring & Lens

By combining the shade ring and lens into one piece we are able to create a streamlined elegant design when used on its own or with accessories. The shape of the lens has been designed to disperse the light below evenly.

## SPL MODULAR LED PENDANT

Change your style while staying sustainable. These sleek LED pendants are designed in the UK and exclusive to us. An energy efficient replacement to the traditional ceiling suspension, long lifespan LED technology means no bulb changes are required. The standard width shade ring makes the collection compatible with any easy-fit shade, as well as the specially designed Keila etched acrylic accessories.

An attractive pendant system with a vintage feel in either antique chrome or natural brass. Featuring a standard SES size fitting.

Choose from a number of different glasses and metal spun shades or add any SES fabric shade to change the look of your fitting at any point.

This system features a braided fabric cable on the pendants and a metal pull chain switch on the wall lamps.

## Symbols Key:

	class 1		height adjustable
	class 2		dual mount
	class 3		dimmable
	F marked		touch dimmable
	part c compliant		rocker switch
	part e compliant		in line rocker
	part 21 compliant		dual in line rocker
	integrated USB charger		in line dimmer
	bluetooth speaker		push bar switch
	motion sensor		rotary dimmer
	solar powered		toggle switch
<b>LED</b>	low energy		push button
	IP43 rated		pull cord
	IP44 rated		mouse dimmer
	IP54 rated		foot dimmer
	IP64 rated		foot switch
	IP65 rated		shaver socket
	fire rated time		not surface mountable
